WRRP Project Category (Check off box)

- Riparian Restoration
- Riparian corridor fencing and exclusion fencing
- Wintering Site Management
- Remote watering systems

Timeline of completion/stages of project completion:

Other Partners and financial contribution by other partners:

Have you completed other projects within the last 10 years with the MRWCC or with stewardship programs such as Milk River Ranchers, Growing Forward, Canada/Alberta Farm Stewardship Program, Alberta Ag on-farm water program? If so, please describe the project and if this project will further improve these other projects.

Do you have an estimate of the project?

Year one (2016) \_\_\_\_\_

Year two (2017) \_\_\_\_\_

Year three (2018) \_\_\_\_\_

Have you identified a photo monitoring site that would be effective to evaluate changes at the site over time?

**Budget/Cost Proposal (Please include in-kind labor and materials. Please indicate which costs you are willing to cover.)**

Item	Estimated Cost covered by the Watershed Restoration Program?	Estimated Cost Covered By Applicant?
1. Materials		
2. Equipment/Hours		
3. Labor Hours		
4. Other (Explain)		

<b>Total Costs</b>
