## 'Backroads Bus Tour' October 20<sup>th</sup> 2017

Join the Milk River Watershed Council Canada on a tour of sites within the Eastern end of the Milk River Watershed in Alberta.

- See spectacular landscapes, home to rare species of wildlife, unique geology, and paleontology
- Hear about the local history of settlement and the ranching community
- Learn the challenges and opportunities facing livestock producers that are great stewards of our extensive grasslands

### Features of this Tour will include:

- Pinhorn Provincial Grazing Reserve
- Onefour Research Ranch
- Manyberries Badlands and Sage Creek Project
- Other stops to be announced
